Dear Parents:

Safety of all students is one of our primary concerns at MLGES. Drop off times are from 7:10 A.M. – 8:00 A.M. daily. A staff member will be out back to assist car riders each morning at the back port. **Only buses are allowed in front of the school during this time.** Afternoon pick up begins at 2:10. All students should be picked up in the back of the school.

Car Riders: Back Port of the School  
Bus Riders Only: Front Driveway of the School

It is extremely important that parents/guardians driving their children to school DO NOT enter the front bus port during these hours. We ask that everyone help us keep students and families safe by always dropping off and picking up students in the back of the school. Mr. Chris Thomas directs traffic for us in the afternoon. Please watch for his directions as you pick up students.

Please remember not to block the drive in front of the fire department. We must keep that area open in case of emergencies.

If you must change your child's transportation, please send a note to your child's teacher. We can't accept changes over the phone.

Any questions and/or concerns can be brought to the attention of Mrs. Adcox or me.

Thank you for your continued support of our students at MLGES.

Proud to be MLG! We are respectful. We are responsible, and we are safe.

Sincerely,

Bruce A. Wilkerson, Principal
